

## Welcome to the 2's

We are looking forward to working with your child this upcoming school year. The 2's class is a transition to preschool class and can seem like a big step. We want to make this process as smooth and comfortable as possible for you and your child. We will be encouraging them to be independent, use their words, share, take turns, play in ways that develop their large and fine motor skills, and show love and respect for one another.

What to expect in the 2's class:

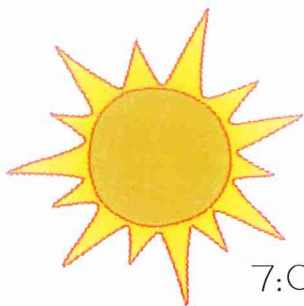

- Potty Training
  - One of the goals in our class is potty training. We will be using pull-ups that have Velcro on the side for this experience.
- Cubbies
  - The children will have cubbies where they can put their bags, jackets, lunch and artwork. Their cubbies will have their name and picture on them so they know which one is theirs.
- Lunches
  - Please place lunches in our lunch bucket, remember to clearly label your child's lunch box.
  - We do not heat lunches.
- Class Chores
  - The children will be given simple chores to work on each day.
    - Snack helper
    - Lunch helper
    - Weather watcher
    - Line leader
    - Line Caboose

Supplies you will need for this class:

- Pull-ups- changed at least 5 times a day
- A lunchbox with an ice pack in it and/or thermos
- A water bottle
- Extra clothes/shoes
- Nap sheet and blanket
- Preferred diaper cream

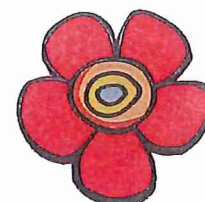

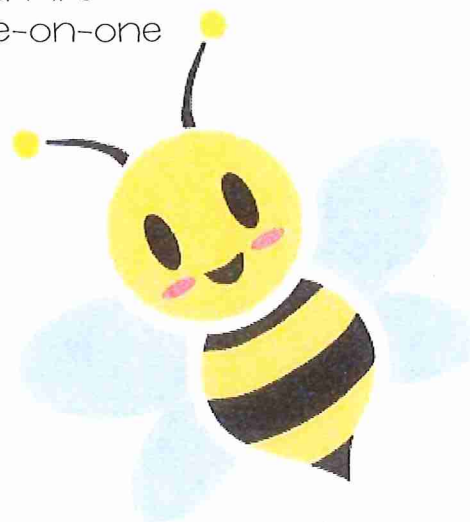

Our goal is to prepare your children to make a comfortable transition to the 3-year-old class. If you have any questions or concerns feel free to ask.
