2 year olds

Our 2-year-old program offers a wide range of learning opportunities. The classroom environment is set up to provide many experiences, that include math, manipulatives, art, dramatic play, language, sensory area, and block area.

Our circle times include music and movement, theme related listening, language development, dramatic play, motor development, and Bible time.

Our Bible curriculum was developed to give the children the opportunity to grow in their faith and relationship with God, which includes weekly chapel lead by Pastor Ray.

Our alphabet curriculum is My First Steps to Reading. This series provide a visual and interactive introduction to the alphabet to build your child's vocabulary and recognition of each letter.

Additional skills taught in our 2-year-old program are:

- Self-help skills
